## **Where in the World is Ross Gordon**

...by Duane Duff....IS SPRING HERE YET???????

For those following, Ross Gordon, and his car (71bug) "jerry" are still on their trip. He Posts details and pictures and such on his website about every couple of weeks. As well as I can figure, he's about halfway thru South America, in Peru. Sounds like a lot of fun... My biggest round trip so far was roughly 1200 miles, but everybody spoke English, the roads were mostly all paved, and running into thieves wasn't much of an issue. Not yet...

Check out his exploits at: [web.me.com/ragtraveler](http://web.me.com/ragtraveler).....

**IT'S SPONSOR TIME!!!** Now is the time to be thinkin' of which way to head to get those sponsors. We also need 1 more sponsor for the slow drags, a sponsor for the stereo contest and the engine sound off.... Any ideas, questions, or answers, email or call little OLD me...

We also are in search of more goodie bag fillers.

I've been on the phone with Joel, he's agreed to do the specialty awards again this year....YEA!!

JBj is less than 100 days away.... LET'S MAKE THIS YEAR'S SHOW THE BEST YET !!
