**Brad Weber** drove the bus today (7/1/09) which is also her 2nd anniversary with us! Also picked up a 79 convertible (Going to be Libby's car) ... Just a quick note to let you all know that I have submitted next year's show to the Missouri Tourism guide. Going for 150 cars next year! What a great show we had!

**JW Taylor** Purchased a 59 single cab for \$100 & is now looking for parts. 870-213-5913

**Charles Hudson** Found 2 btl converts in the Strafford area. Both need everything, but good cores to work from, one with eng asking 1250 and one w/o eng asking 550. only for the person who has done one before. Just down the road from McDonalds (east). (1963 & 1964)

**Mark & Tina Solari** drove the 66 RH drive bus on July 6th, 8pm...4th gear doesn't work, already yanked the engine & the tranny, put in the new tranny we bought from Bruce Lincoln on Wednesday—getting some more parts then back in with the engine for another test run.
