

Bug on the Brain

Hello Fellow Groover's,

Well another great show was put on again by all you wonderful members. All of you done something in some way and Groove is really is proud of ya. Vicky and I barely got by without overheating and hope no one else did. We always learn something and make things smoother the next year. All you members that helped with show remind me of my Army days as in working as a team to get the job well done!!! This is why you need to RSVP my annual BBQ because I will personally cook you a steak dinner with some extra entertainment this year. Thanks again to the Duff's for their hard work all year to get this show attention, as well as Brad, Mark & Tina, Bob, Clyde, Charles, Steve, The Blevins, The George's, Rob & Mary Ann, Robin, Al & Becky and others my brain can't remember!!! I am so proud to be a part of this club and look forward to continued success as Missouri's biggest VW club! Don't forget to bring a chair, swim suit, favorite beverage and when you call for RSVP, tell me what kind of side dish you want to bring or what we are short of. Humm, hope that made since. See you all at the BBQ!!!

Your President, Jay Myers

Keep on buggen it!
